

INQUA-SEQS Meeting 16.09.25 – 21.09.2025

in cooperation with SQS and IQUAME

Preliminary General Topic – Quaternary stratigraphy and Quaternary maps as a base to understand the environment of mankind

Organizing and Scientific Committee: Adele Bertini (Chair SQS), Kristine Asch (Chair IQUAME), Pierluigi Pieruccini (Board SEQS), Eva Mencin Gale (Board SEQS), Guzel Danukalova (Board SEQS), Markus Fiebig (Board SEQS)

Meeting place: BOKU University (Ilse Wallentin Haus, SR 29, 1190 Vienna, Austria)

Hotel suggestions in Vienna (many other available in town):

<https://www.strudlhof.at/de/> (Single room about 100 Euros)

<https://www.hotelboltzmann.at/en/strudlhof-steps/> (Single room less 100 €)

Preliminary Program:

Tuesday 16.09.25 at 7 pm Ice breaker party and registration at BOKU University

Wednesday 17.09.25 at 9 pm Opening and registration at BOKU University

Session 1 Well investigated terrestrial and marine stratigraphic sections from the Early-Middle up to Late Pleistocene

Session 2 Quaternary Stratigraphy and Archaeological Record: a Geoarchaeological approach

Conference Dinner

Thursday 18.09.25

Session 3 Quaternary Stratigraphy and correlations across Europe (contributions from Biostratigraphy, Chronostratigraphy, Lithostratigraphy etc.)

Session 4 Quaternary Mapping in Europe

Business meeting, closure of session part and visit in the Museum of Natural history Vienna (Mathias Harzhauser)

3 days Excursion with Bus (Program still preliminary ideas)

Friday 19.09.25

Schneeberg (Jürgen Reitner), Gänserndorfer and Schlosshof Terrace (Stephanie Neuhuber, Christopher Lütthgens), Dolni Vestonice (Archeo Park Pavlov)

Saturday 20.09.25

Hainburger Berge (Lukas Plan), Putikov vrsook volcano in the Hron Valley and Nova Vieska in the Zitava river area (Michal Suján, Roberta Prokesová, Josef Minar)

Sunday 21.09.25

Little Hungarian Plain (Academy of Sciences, Budapest, Zsófia Ruzsák-Zay-Rüdiger, Krisztina Sebe, Gábor Csillag, Agnes Nowothny)

End of Excursion in Vienna or Bratislava

Please return the attached preliminary registration form until 31.12.24 to markus.fiebig@boku.ac.at

Second circular with meeting and payment details and information about an intended special issue in Quaternary International (QI): End of March 2025

INQUA funding is available for early career scientists (ECR) and participants from low GDP countries (GDP). Please write in your email together with the preliminary registration that you like to apply for INQUA funding as ECR or GDP participant. Personal support will be in the order of a few hundred Euros.

Preliminary costs of the INQUA-SEQS meeting 2025 will be as low as possible and similar to previous INQUA-SEQS meetings (exact costs in the 2nd circular):

- about 200 € session meeting incl. icebreaker, congress dinner (without beverage), Museum visit, small lunch buffet, coffee breaks etc.
- about 300 Euros excursion costs incl. Bus, Hotel, lunch boxes and dinner (without beverage)
- about 300 Euros Hotel costs in Vienna (depending on your choices)
- individual travel expenses (arrival and departure).

Acknowledgement: INQUA Funded Project 2444: EQ – European Correlation of Quaternary Stages Boundaries, BOKU University Vienna, Austria

Preliminary registration form INQUA-SEQS meeting 2025 in Vienna (Austria)

(please return the form until 31.12.24 to markus.fiebig@boku.ac.at)

Your Name:

Institution:

Address:

Title of intended poster presentation:

Title of intended oral presentation:

Potential session (please indicate):

- Quaternary stratigraphic sections (Middle and Late Pleistocene)
- Quaternary Stratigraphy and Archeology
- Quaternary Stratigraphy and Correlation
- Quaternary Stratigraphy and Maps

Participation (please indicate):

- all parts of the meeting (16.09.-21.09.25)
- Ice breaker (16.09.25)
- session part of the meeting (17.-18.09.25)
- congress dinner (17.09.25)
- Evening visit in the Museum of Natural History (18.09.25)
- excursion (19.09.-21.09.25)
